## RICHARDS DEFEATS MANGAN, D. C. STAR, IN STRIKE-OUT SES

Tilden Gets Only Light Workout in Match With Alex Thayer.

PHILADELPHIA, Sept. 7.—The big names in the national singles championship tournament remained in the brackets for further competition on the manicured courts at the Germantown Cricket Club after today's preliminary matches had been played. There were 59 matches on the schedule for the first round but several were defaulted.

William T. Tilden, American champion; Gerald L. Patterson, of Australia, the Wimbledon champion; Little Bill Johnston, of California, former American champion; Norris Williams, of Boston; Manuel Alonso, of Spain, and Vincent Richards, of Yonkers, all won their contests.

### Tilden An Easy Victor.

Tilden won from Alex Thayer of Philadelphia in the opening match of the tournament, 6-0, 6-2. An easy victory for the champion, but a spirited workout for him nevertheless. Johnston beat Craig Biddle, 6-3, 6-1. Johnston was a tremendous cheer when he appeared on the court. In recognition of his great tennis at Forest Hills on Tuesday when he settled the Davis Cup on America for another year by defeating Patterson, Patterson's opponent today was Charles C. Hubbard of Yonkers. The Australian captain won, 6-0, 6-2. James O. Anderson, another Australian, defeated Davis Cup star, won from Sidney Thayer of Philadelphia, 6-3, 3-6, 6-2, 6-4. R. C. Wertheim, like-wise of the Australian team, defaulted to Thomas C. Leonard; Phil Neer, of Leland Stanford University, former intercollegiate champion, had to waive his match with P. L. Goldsborough owing to the opening of school in Philadelphia. Watson M. Washburn, won from Ralph L. Rogers, 6-1, 6-1, 6-2, and Francis T. Hunter, another prominent American, defeated R. D. Golden, 6-1, 6-2, 6-4.

### Richards Beats Mangan.

Other front rank players who survived were Howard Vossell, who beat Paul Casey, 6-1, 6-3, 6-4; Charles S. Gair, who beat John A. Magee, 6-1, 6-1, 6-4; Robert Kinsey who beat L. Bitchick, 6-0, 6-0, 6-2.

Richards, of the Davis Cup double combination, defeated Thomas J. Mangan of Washington, 6-3, 6-2, 6-2, and Alonso won from Robert W. Gilmore, of New York, 6-1, 6-1, 6-1.

Norris Williams beat Irving C. Wright, of Boston, 6-3, 6-2, 6-2; Pat O'Hara Wood, of the Australian team, had a difficult struggle before he eliminated Arthur Mathis, of Philadelphia, 6-3, 6-2, 6-2. Walter Westbrook, the Detroit College star lost to Zeno Shimidzu, of "last year's" Japanese Davis Cup team, 6-4, 7-5, 6-3. The courts were in fine condition and the spectators, which on the three sides of the center courts, were well filled. Quite a gallery also accompanied the more prominent players to the side courts, where the competition went on simultaneously in order to run off the first round as soon as possible.

Union Printers severely jolted the Mohawks' championship aspirations, trouncing the Indians, 6-0, in an unlimited class title contest yesterday.

The Mohawks registered a shutout against four for the Printers, but Webb kept the safeties rattled and was strong in the circles. The score:

## 3 MARKS SMASHED IN JR. A. A. U. EVENTS

Records in Broad Jump, 3-Mile Walk and Hop, Step and Jump Fall.

NEWARK, N. J., Sept. 8.—With the National Junior A. A. U. championship events out of the way and three new records established, the senior events of the great championship will be run off here beginning tomorrow and continuing on Monday. The juniors had their meet today with fair weather and ideal track and field conditions and established new marks in the broad jump, three-mile walk and hop, step and jump.

The broad jump mark was made by Dehart Hubbard, a negro athlete, of Cincinnati, who sailed 24 feet 3 1/2 inches. The best previous junior jump was 23 feet 1 inch by H. T. Worthington, of Boston, made in 1914.

Charles Foster, of the Detroit Y. M. C. A., walked three miles in 23:39.6, a new record. The old one was 23:57, made in 1915 by L. Labowitz, of New York.

In the hop, step and jump A. J. Plauskey, of Boston, wearing the monogram of the Knights of Columbus, covered 46 feet 9 1/2 inches. The old record was 46 feet 7 1/2 inches made in 1920 by K. Geist, of New York.

Tomorrow's great event in the senior competitions will be the quarter-mile run, which brings together a field of stars who should make the race one of the finest in the history of the sport.

Woodruff, representing the Meadowbrook Club; Larry Brown, of Penn.; Jake Driscoll, of the Boston A. A.; Billy Stevinson, of Princeton, and children of the Los Angeles A. A. are among the entrants, all having covered the distance in 48.2-5 in the past.

Charlie Paddock, the champion sprinter, will be missing from the great field in the short runs, but records will be in danger with such men running as Al Leconey, Bob McCallister, the New York policeman, and Loren Murchison.

## SHAMROCK BEATS MISS STAR TO WIN BELMONT FEATURE

Goes to Front in Fast Eighth for Easy Victory.

BELMONT RACE TRACK, Sept. 8.—"Chicago" O'Brien's Shamrock, ridden by Buddy Ensor, won the Sea Cliff, the 3-year-old feature of this afternoon card. Shamrock had to overhaul the speedy but faint-hearted Miss Star, but under Ensor's patient handling, did so in plenty of time within the last eighth of a mile. William Tell finished third, after running in spots. He had no early foot, but approaching the stretch, moved up fast on the leaders along the rail. Then he moved to the outside, and while he was closing fast on Shamrock and Miss Star, the race was too short for him.

Coeur d'Alon, the Ranocosa horse, was supported by his stable connections and, although he broke well, soon dropped back third and couldn't improve his position thereafter.

The results:

# SPILL PASTIME OF DISTRICT ANGLERS

## Fishermen Look Forward To Balmey Indian Summer For Real Sport.

By DICK FEED.

The recent heavy rains along the Potomac and its tributaries have afforded protection to the bass from the many anglers who have made preparation for trips to their favorite haunts along the Shenandoah and Potomac.

The high waters brought down a sea of mud and floating debris which precluded all possibilities of bass fishing. Many of the disappointed went to the bay and down the river to the salt water, returning Labor Day by boat, railroad and bus lines, all crowded to their capacity. The month of September is usually the best month of the year to catch the small mouth when water conditions are right. Early September, mostly water, is the best time of the day as it seems that the big ones are in pursuit of food early in the day. Should the river remain muddy for any length of time, the muddy water, which is the balmey days of Indian Summer when the fishing is almost equally good to go cat fishing. The water has cleared at Harpers Ferry and the nearby waters should be in condition today or tomorrow.

If you anticipate a trip down the river for big mouth bass learn the condition of the water before you start. The muddy water, that has passed Washington is being pushed up and down by the alternating tides and may have spoiled fishing at the place you have decided to fish.

In the salt water big catches are numerous, with many trout and plenty of rock blue fish, being taken. The bright moon and the coolness of night make fishing good and more pleasant than under the blistering sun.

The plate printers of the Bureau of Engraving and Printing will have an outing at Chesapeake Beach today. Among the many interesting features will be a fishing exhibition by A. J. Sahdalla, who was the world champion a few years ago.

Mr. and Mrs. Jesse Walsh and son, J. Herbert Walsh returned from a ten-day stay at River Springs, on Saint Catherine Bay where they made several good catches of trout and salt water fish.

Arthur F. Burdine is leading man in the contest for a silver cup, donated by the business men of Chesapeake Beach, with a trout weighing six and three-quarter pounds.

In the recent bait-casting tournament held in Cleveland, Ohio, Fred Arbogast made a cast of 271 feet 10 inches with stipulated tackle which limited the weight of the sinker to one-half ounce.

Henry T. Beck, Edward Kreiner and William Gelsberger, of Baltimore, made the season's record in a catch of seventy-six rockfish that weighed in the aggregate 507 pounds one day last week. The fish were taken with small eels and a lure bait known as the Huntington. The big catch was made near Trencher Beach on Chesapeake Bay, a fishing ground easily accessible from Washington.

John McPherson is home after an extended vacation spent in New England and New York State. In the latter State he angled with lure bait in one of the well-protected reservations and landed a three-pound bass at the first cast. Eleven other fish were taken, but none equalled the first one in weight.

Horace W. Whitaker caught a big string of trout from a rowboat off North Beach last Saturday morning.

Joe Byrne reports taking ten big mouth bass on the flats at the mouth of Hunting Creek last Saturday.

Mr. and Mrs. Will Barron, Mr. and Mrs. Vernon Wright are on a month's vacation. Most of their time will be devoted to fishing the Shenandoah near Woodstock.

Arthur Sergeant, F. F. Leapley and H. C. Leapley motored to the latter's cottage on Neal's Creek last Saturday afternoon, remaining over Labor Day. Two trips to nearby
